

4-2-8 CLUB

The 4-2-8 Club is for Latchkey children in the 4th through 8th grade exclusively. The choice to be involved is offered daily. It is located in the back room of the Latchkey building. Mrs. K is the staff member who serves as an advisor to the students and facilitates their various activities. Those activities may include study/mentoring sessions, crafts, music, karaoke, video games, louder music, book clubs, service projects and/or just general hanging out. The room is furnished with age appropriate furniture including media chairs. The students are asked to sign in and inform Mrs. K when they are leaving.
